

Nelson Center Pool

The Nelson Center Pool is a seasonal outdoor aquatic facility and is open during the Summer months between Memorial Day Weekend and Labor Day. Supervised by professionally trained lifeguard staff, Nelson Center Pool features a twisted flume slide and separate wading pool that will keep your kids coming back time and time again. Nelson Center Pool also features a full service concession stand and locker rooms.

OUTDOOR POOL POLICIES

CLOSING POLICY

The facility will close if the air temperature is 69 degrees or below, or at the discretion of the pool manager based in inclement weather, low attendance, mechanical breakdown or unusual circumstances. Refunds will not be issued. Please see rain check policy for further details.

LIGHTNING POLICY

When thunder and/or lightning are first noticed, the pool will be evacuated until thirty minutes after the last thunder is heard. If lightning occurs again within the first thirty minutes, another thirty minute time limit goes into effect. Generally, lightning will not affect the operation of our indoor pools. However, at the discretion of the pool manager indoor facilities may be closed as well.

RAIN CHECK POLICY

A rain check will only be issued to person(s) who have paid the daily admission fee when within two hours of the purchase the facility closes for the day due to inclement weather. Patrons should report to the admission area for a rain check and further details. If the pool reopens, those issued a rain check must redeem their rain check to enter. The rain check is only valid for the season in which it was issued. Rain checks must be requested prior to leaving the facility. Rain checks will not be issued on the last day of the season.

For more information on policies, please call the specific facility location or visit our website at www.springfieldparks.org.
