- I) The District may make necessary changes or place necessary additional restrictions on any permit after it has been issued.
- J) Violation of the terms, restrictions and conditions contained in the permit may result in the suspension or revocation of the permit.
- K) Unless as specifically provided elsewhere in the Ordinances, no permit shall be issued for a period in excess of seven (7) consecutive calendar days. A permit may be extended for like periods of time pursuant to a new application, unless another person has requested use of the same location and use of that location by more than one permittee is not reasonably possible.

In addition to any fine, the District may revoke the privilege to use all or some of the facilities of the District for such length of time as is determined appropriate by the District.

- C) Whenever a finding of guilty is entered by the Court or a plea of guilty is entered by a defendant, the Court may, in addition to fine imposed, enter an order to pay restitution with restitution to be in an amount not to exceed actual out-of-pocket expenses or loss proximately caused by the conduct of the defendant. The Court shall determine the amount and conditions of payments.
- D) No provisions of these Ordinances designating the duties of any officer or employee shall be construed as to make such officer or employee liable for any fine or penalty provided in these Ordinances for a failure to perform such duty, unless the intention of the Board to impose such a fine or penalty on such officer or employee is specifically and clearly expressed in the section creating the duty.
