

# VALENTINE SUNCATCHER CRAFT

## Supplies

Clear or regular school glue

Cookie Cutter

Small beads

Wax paper

## Instructions

Cut out a square of wax paper to put under your heart cookie cutter.

Make the surface is level where your put the cookie cutter.

Next fill the cookie cutter with glue.

Drop the small beads, glitter or whatever you want to put into the glue.

It will need to dry for a couple of days, when the top is dry turn over to dry the other side.

Thread a needle with white or red thread and stick through the top of the heart when dry to make a suncatcher!
